Comments

- Beautiful Original Mercedes Benz 1413 with Fa. Schiedt & Bachmann M&S vacuum pump. This car, originally delivered and built up in Germany, is in original condition. The suction structure is equipped with a Becker vacuum pump (type DKW 4). This Mercedes was purchased in 1964 by the Michael Loers & Co company. As far as can be gathered from the documentation, the car has been in the possession of the same owner since then. In 2019 the car was appraised and classified in category two.
